Bates Financial Statement for International Students 2011–12

This form must be completed by all incoming students who are not United States citizens or permanent residents in its entirety. Without complete information and appropriate certification, the Certificate of Eligibility (I-20) cannot be issued. This form is due at the same time as the application for admission. *United States citizens and permanent residents do not need to complete this form.* United States citizens and permanent residents who have indicated an intent to apply for financial aid on the Common Application should complete both the CSS Financial Aid PROFILE application and the Free Application for Federal Student Aid (FAFSA).

Section A (all applicants)

Family and Student Data

All Bates financial aid awards are based on financial need. Therefore, we need accurate and complete information about the family and personal resources of each financial aid candidate. Use the best figures available to you, and *estimate if necessary to meet deadlines*. Bates expects the student's family to contribute to his/her education to the extent possible. Students are also expected to contribute from their own term-time and summer earnings toward meeting the costs of studying and living at Bates.
