Polish Your Presentation

Imaging & Computing Center, Coram Library

Join us for a workshop to dispel the jitters and fine-tune your material. The first half of the session will focus on general oral presentation skills: tailoring your message to your audience, organizing your main ideas, and using an appropriate speaking style. The second half of the session will focus on the effective use of PowerPoint: special attention will be paid to best practice tips for designing and composing PowerPoint slides that enhance your presentation.

- Wednesday, March 25th, Noon–1 p.m.
- Tuesday, March 31st, 4–5 p.m.
