Chemistry Thesis Request Form

Your name: ________________________________

Please complete part 1 for lab-based thesis preferences and/or part 2 for non-lab based thesis preferences.

Part 1: Lab based thesis:

Choice 1:
Advisor: ________________________________

Project: __________________________________________________________________________

Choice 2:
Advisor: ________________________________

Project: __________________________________________________________________________

Choice 3:
Advisor: ________________________________

Project: __________________________________________________________________________

Part 2: Non-lab based thesis:

Advisor (if known): ________________________________

Topic: __________________________________________________________________________

Please list any other comments about your thesis here (for example, you’d like to do a joint thesis with another department or you’d like to do a one semester thesis):

*****Please answer the questions on the back of this form*****

Return this form to Mary Brushwein by Jan. 31 2014
1. Mark the short term course(s) you plan to take in the next two years. If you've already taken a short term, and do not plan to take either class, skip this question.

______ S42 in 2014 (Synthesis and Reactivity Lab)

______ S37 in 2015 (Advanced Measurement Lab)

______ Haven't decided yet

2. Do you have thoughts on your plans post-graduation (graduate school, medical school, get a job, I can’t believe you’re asking me this already?)
