Teacher Education Faculty Member

Date

I understand I must review and fully complete all parts of this application form with a Teacher Education faculty member no later than **October 15** of junior year, and that I will not be accepted to the Maine Teacher Education Certification program until this application is completed.

(Your signature)

(Date)

*Note: The departmental review of your application will be based on these criteria:
1) Performance in previous courses in education; 2) G.P.A. overall and especially in your major;
3) Strength of your recommendations; 4) your purpose for and commitment to completing a rigorous program during your senior year. Acceptance to the Teacher Education program will be for the first semester only. Your first-semester performance will be the basis for determining whether you may continue for second semester and complete the program.*
