

Financial Aid Application for Returning International Students

This form should be completed by all returning students who are not United States citizens or permanent residents. Without complete information and appropriate certification, the Certificate of Eligibility (I-20) cannot be issued.

Section A • Family and Student Data

All Bates financial aid awards are based on financial need. Therefore, we need full information about the family and personal resources of each financial aid candidate. Use the best figures available to you, and *estimate if necessary to meet deadlines*. Bates expects the student's family to contribute to his/her education to the extent possible. Students are also expected to contribute from their own term-time and summer earnings toward meeting the costs of studying and living at Bates.
