2013-2014 Financial Aid Application – Short Term Off-Campus

Students who are currently receiving Bates grant assistance are eligible to apply for Short Term financial assistance. Regardless of financial need, all students are required to pay a minimum of \$500 toward their Short Term expenses. If financial aid is offered, a portion of it may be in the form of a student loan. A list of extra-cost Short Term courses for which aid is available is published on the Bates website.

To be considered for the upcoming Short Term, this application must be returned to Student Financial Services no later than **MONDAY, January 13th, 2014**. The permission of your instructor to register for the Short Term Unit must be recorded through the override process.
