Extra-Cost Short Term Financial Aid Application

If you are planning to enroll in an extra-cost, off-campus Short Term course, you may be eligible for additional financial aid to help cover the costs of your program. A list of extra-cost Short Term courses for which aid is available is published on the Bates website.

To be considered for Short Term financial assistance, you must meet the following criteria:

1. you are a current recipient of need-based grant aid from Bates
2. your student account is paid in full or otherwise in good standing
3. you have obtained the permission of your instructor (through the override process) to register for the course

Keep in mind that financial aid will not cover all of the costs of your program -- you will be expected to pay a minimum contribution of \$500 toward your Short Term expenses, and some of the assistance offered by Bates may be in the form of a student loan.

Please return your completed application no later than **January 16th** to:
