Automatic Dependent Care Reimbursement Process

The Automatic Dependent Care Reimbursement Process is a great way to save time and paperwork. This process will allow you to submit one claim for the entire plan year and receive reimbursement as payroll deposits are posted.

To qualify for this service, you must meet the following criteria:

- You incur consistent dependent care expenses throughout the plan year;
- You use the same dependent care provider throughout the plan year;
- You are able to obtain a statement or signature from your dependent care provider in advance of the services.

Tips to avoid denied claims:

Please do not submit your reimbursement requests prior to the start of the plan year. Although you may have pre-paid for your dependent care services, IRS regulations prohibit reimbursement until after the service has been rendered.

We encourage you to ask questions if you are unsure about this option or if you would like additional information. Please call 207-781-8800 or 1-800-626-3539 and ask for the Reimbursement Team.

If you meet the criteria listed above and would like to take advantage of the Automatic Dependent Care Reimbursement process, please complete an FSA Claim Form, attach the appropriate statement or receipt from your dependent care provider and submit it to:
