The above represents some of the more common prescription drugs that are in a different tier with CIGNA from what they were with Aetna. You should check what tier your brand name prescriptions are in (all generics are in tier 1 - generic drugs).

You can search the CIGNA Drug listing at <http://www.bates.edu/hr/files/2011/10/hr-cigna-prescription-drug-listing.pdf> or call Cigna at 1-800-244-6224 to find what tier your prescription drugs are in.
