Good news to smile about Aetna Dental[®] plans

You don't need a dental ID card to get dental care

We want to make doing business with us easier than ever.

How will my dentist know I'm an Aetna Dental member?

When you visit your dentist, simply tell the office your name, date of birth and member ID number (or your Social Security number).

But what if I want a card?

Easy — use our mobile app or go online. Log in to your secure member website at www.aetna.com. Your ID card will appear on your personal benefits page. You can print out an ID card for you and your dependents by clicking on **"Get an ID card."** If your electronic ID card says **"No Election"** or **"Invalid Choice,"** then your plan requires you to choose a primary care dentist (PCD) who is in our network. Until you choose one, your benefits and claims may be affected.*

*CA/AZ DMO[®] participants: If you have not selected a PCD, one may have been selected for you. View your electronic ID card to determine if one was selected on your behalf.

**Standard text messaging rates may apply.

DMO dental benefits and dental insurance plans are underwritten by Aetna Dental Inc., Aetna Health Inc. and/or Aetna Life Insurance Company. Dental preferred provider organization (PPO) and dental indemnity insurance plans are underwritten and/or administered by Aetna Life Insurance Company. Each insurer has sole financial responsibility for its own products.
