Connect to the Bates Visitor Wireless Network

1. Using your devices' wireless capabilities, *connect* to the **Bates Visitor** wireless network.
2. Open a **web browser** and *navigate* to a **website** of your choice. You will automatically be redirected to the **Network Access Control Registration** web page.
3. Click on the **Visiting guests of the College** link or click on the **Start >>** icon located under the **Bates Visitors** section.

Bates Network Access Control Registration

Welcome

Bates students should make certain they are connecting to the Bates wireless network, not Bates Visitor. There are not enough resources on the Bates Visitor wireless network to support all of your devices. Instructions can be found at:
<http://www.bates.edu/ils/2011/how-do-i-connect-to-the-bates-wireless-network/wireless-setup-bates/>.

To gain network access users are required to adhere to our established registration policies.
 Please select one of the following options:
