

*Dr. Wendy Sutherland
Assistant Professor of German,
New College of Florida,
Honor's College.*

*"Reading in the Dark?:
Racial Hierarchy & Miscegenation in Heinrich
von Kleist's Die Verlobung in Santo Domingo
[The Engagement in Santo Domingo]."*

Professor Sutherland's presentation focuses on relationships between the formation of the German state, the strategic use of skin color in German drama of the eighteenth and early nineteenth centuries, and contemporaneous developments in philosophy.

*Wednesday, March 23, 2005
12 p.m. - 1:00 p.m., Pettigrew 204*

*Sponsored by the Mellon Learning Associates Program in the Humanities,
Department of Theater and Rhetoric, Programs in African American and
American Cultural Studies, and Office of Multicultural Affairs*
