

2007 MOUNT DAVID SUMMIT

Evaluation of Mount David Summit for Student Presenters and Their Advisors

Registration Presentation

Were you satisfied with

- 1) the online registration process, especially its ease of use?
- 2) the abstract submission process?
- 3) the advisor approval process?
- 4) the registration period (about 1 month)?

If your answer is no to any of these questions, can you give us your specific assessment of the online registration. How can we improve the process?

Posters

If you presented a poster,

- 1) did you have enough room for your poster?
- 2) were you in a location that attracted visitors to your poster?

If your answer is no to any of these questions, please explain why. If there are unaddressed categories that you wish to include and comment on, please do so in the space below or on the other side of this form.

Presentation

Were you satisfied with

- 1) amount of time you were allotted?
- 2) Location of your presentation?
- 3) a/v availability and suitability for your purposes?
- 4) opportunity to interact with attendees?

If your answer is no to any of these questions, please explain why. If there are unaddressed categories that you wish to include and comment on, please do so in the space below or on the other side of this form.

Scheduling

Were you satisfied with

- 1) time of year?
- 2) time of day?
- 3) duration of event?

If your answer is no to any of these questions, please explain why. Would you prefer that the Summit be in conjunction with other another campus event, such as Celebrate Bates Weekend, commencement week, something on the model of the Martin Luther King Day, etc.? Also, please include your reasons for your choice in the space below or on the other side of this form.
