

Possible schedule for an incoming student majoring in Biochemistry with no AP credit.

| <b>First Year</b>  |               |               |               |
|--------------------|---------------|---------------|---------------|
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | FYS XXX       |               | Math 105      |
|                    | CHEM107       |               | CHEM108       |
|                    | BIO195        |               | Elective      |
|                    | Elective      |               | Elective      |
| <b>Second Year</b> |               |               |               |
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | CHEM217       |               | CHEM218       |
|                    | Math106       |               | BIO204        |
|                    | BIO202        |               | Elective      |
|                    | Elective      |               | Elective      |
| <b>Third Year</b>  |               |               |               |
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | CHEM321       |               | CHEM322       |
|                    | PHYS107       |               | PHYS108       |
|                    | Elective      |               | Elective      |
|                    | Elective      |               | Elective      |
| <b>Fourth Year</b> |               |               |               |
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | THESIS        |               | THESIS        |
|                    | CHEM310*      |               | BIOXXX**      |
|                    | Elective      |               | Elective      |
|                    | Elective      |               | Elective      |

\*CHEM310 and CHEM302 are interchangeable. CHEM302 is a Winter course, CHEM310 is a Fall.

\*\* Several 300-level courses in the Biology curriculum can count here but NOT all.

Possible schedule for a student entering the Biochemistry major with AP credit for CHEM107/CHEM108

| <b>First Year</b>  |               |               |               |
|--------------------|---------------|---------------|---------------|
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | FYS XXX       |               | MATH 106      |
|                    | MATH105       |               | BIO202        |
|                    | BIO195        |               | Elective      |
|                    | Elective      |               | Elective      |
| <b>Second Year</b> |               |               |               |
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | CHEM217       |               | CHEM218       |
|                    | BIO204        |               | BIO3XX**      |
|                    | Elective      |               | Elective      |
|                    | Elective      |               | Elective      |
| <b>Third Year</b>  |               |               |               |
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | CHEM321       |               | CHEM322       |
|                    | PHYS107       |               | PHYS108       |
|                    | Elective      |               | Elective      |
|                    | Elective      |               | Elective      |
| <b>Fourth Year</b> |               |               |               |
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | THESIS        |               | THESIS        |
|                    | CHEM310*      |               | Elective      |
|                    | Elective      |               | Elective      |
|                    | Elective      |               | Elective      |

\*CHEM310 and CHEM302 are interchangeable. CHEM302 is a Winter course, CHEM310 is a Fall.

\*\* Several 300-level courses in the Biology curriculum can count here but NOT all.

Possible schedule for a student entering as a Biochemistry major with Winter Study Abroad  
 Junior Year (Fall study abroad is easily accommodated as well)

| <b>First Year</b>  |               |               |               |
|--------------------|---------------|---------------|---------------|
| <b>Fall</b>        | <b>Course</b> | <b>Winter</b> | <b>Course</b> |
|                    | FYS XXX       |               | MATH105       |
|                    | CHEM107       |               | CHEM108       |
|                    | BIO195        |               | Elective      |
