ABOUT **CMS@BATES**

The Program in Classical and Medieval Studies combines a uniquely interdisciplinary study of the premodern world with an emphasis on empowering students to encounter and explore voices from the distant past in their original languages.

Bates College

CLASSICAL AND MEDIEVAL STUDIES

OUR GRADUATES

From archeological digs to law school to finance, CMS@Bates opens up a world of possibilities for our graduates.

UNIQUE

CMS@Bates is the only NESCAC college to offer a major that covers both the ancient and medieval worlds.

GLOBAL APPROACHES

CMS@Bates is committed to reevaluating our ancient and medieval pasts, putting them into conversation with today's world.
