

CHASE HALL – RESIDENCE LIFE AND HEALTH EDUCATION

(Move)

INTERIOR DESIGNER: N/A

CONTRACTORS: Bates Facilities

COMPETITION DATE: June, 2018

TOTAL SQUARE FOOTAGE: Chase Hall, Second Floor

PROGRAMMATIC DRIVER: As an enabling project for STEM (New Science Building), this fall, Bates Communications Office (BCO) will be moving from Nichols Street to Lane Hall. In order to accommodate BCO in Lane, Residence Life and Health Education will be moving to the second floor of Chase Hall. This move will centralize Student Affairs offices as Campus Life is already housed within Chase and Bates Center for Purposeful Work will be making a presence this summer as well.

PROJECT DESCRIPTION: Facilities Services has installed new carpet and painted the walls of the existing offices to prepare for Residence Life's move to Chase.
