

Ladd Library Plaza Replacement Project
(Renovation)

Architect: Gale Associates and MBLA Landscape Architects

Contractors: Contracting Specialists Incorporated

Completion Date: Summer, 2018

Total Square Feet: 17,000

Programmatic Drivers:

- Keep Ladd Library dry, replace waterproofing system with long life and low maintenance product.
- Replace all pavers, planters, seating & lighting with a new design, since all of the existing is being removed to do the membrane replacement.
- Coram Terrace – landscape and hardscape improvements to enhance appearance and functionality of the space utilized for Commencement, Convocation and other events.
