

Bates College

2024-2025 Request for Financial Aid Reconsideration

Student's Name: _____ Bates ID: _____

You may request reconsideration of your financial aid award through the Bates College appeal process. All requests must be accompanied by appropriate documentation, examples of which are provided on page two of this document. If you can provide documentation of a significant change in your family's financial circumstances, or if you believe there are special circumstances that were not considered initially, please complete this form.

A request for reconsideration must be accompanied by complete copies of parent and student 2023 tax returns and W-2 forms. We may also request additional information as necessary to document particular circumstances.

CHECK ALL THAT APPLY TO YOU:

- Significant loss of income due to change in employment or prolonged job loss (*changes to employment or income must be in effect for at least 2 months before a request can be submitted.*)
- Death or disability of a parent
- Loss of untaxed income (social security, pension, child support, etc.)
- High medical/dental expenses paid by the family
- One-time or non-recurring income
- Incorrect financial information on application
- Other financial hardship not listed above

All the information on this form and supporting documents is true and complete to the best of my knowledge. I further understand that submission of this information does not guarantee an adjustment to the student's award or a change to the original financial aid decision.

Student Signature: _____ Date: _____

Parent Signature: _____ Date: _____

At this time, we recommend uploading your request and supporting documentation as a single PDF to your IDOC dashboard (pages.collegeboard.org/idoc), and then emailing our office at sfs@bates.edu to let us know you've uploaded materials.

Alternatively, you can mail your request to:

Bates College
 Student Financial Services
 44 Mountain Avenue
 Lewiston, ME 04240

Examples of documentation that should accompany your request
