

## **Barlow Endowment for Study Abroad Application Information**

Applications may be submitted with this form or, if abroad, by email  
[tmangier@bates.edu](mailto:tmangier@bates.edu) or fax +1-207-786-8331

Name: \_\_\_\_\_ Bates ID# \_\_\_\_\_  
Bates Email: \_\_\_\_\_ Period of Study Abroad \_\_\_\_\_  
Study Abroad Program/University \_\_\_\_\_  
Major: \_\_\_\_\_ Faculty Advisor: \_\_\_\_\_

Note the grant type: Enrichment \_\_\_\_\_, Thesis \_\_\_\_\_, Fellowship \_\_\_\_\_  
Campus or Community Activity \_\_\_\_\_

For Enrichment Grants: Describe the activity, locations, dates, and actual or estimated costs in US\$. If flying, attach a copy of your online reservation to confirm your flight information. If requesting a grant for travel, please use the categories below to help identify costs. You can provide estimates if actual costs for your food, lodging, local travel, and entry fees are not available.

Air or train fare	Local bus/taxi/subway	Lodging
Airport transit	Food, including markets	Entry fees

For Thesis Research Grants: Describe your travel plans, dates, and costs in US\$. If flying, attach a copy of your online reservation to document the flight information and costs. Use the categories above to help identify costs. In addition, your thesis advisor needs to confirm that you and he or she have worked together to refine your thesis topic and research methodology and that your proposed field work is important to your research.

For Fellowships: In one or two pages, describe your overall study abroad plan and how it is related to your academic program at Bates. Describe the activities that you would pursue if awarded a Barlow Fellowship and how they will enrich your study abroad experience. If your study abroad experience is related to potential thesis topics, please feel free to discuss this as well. In addition, a faculty member needs to provide a letter of support which discusses your how your study abroad plan and the additional activities that you hope to pursue will enrich your on-campus academic program. Note that you do not need to itemize your anticipated expenditures.

For Campus or Community Activity Grants: Describe the activity, how it is related to your study abroad experience, and how it will contribute to the campus or Lewiston-Auburn community. Provide your anticipated costs for supplies, food, or other expenses.
