BATES POLICY *PROHIBITS* THE FOLLOWING CONDUCT:

SEXUAL HARASSMENT

SEXUAL EXPLOITATION

SEXUAL ASSAULT

INDECENT EXPOSURE

DATING & DOMESTIC VIOLENCE

RETALIATION

STALKING

**CONSENT CONSISTS OF AN
ACTIVE, CONSCIOUS, AND
VOLUNTARY AGREEMENT TO
ENGAGE IN SEXUAL ACTIVITY.**

**An incapacitated
individual cannot
consent.**

CONSENT IS:

INFORMED AND RECIPROCAL;
FREELY AND ACTIVELY GIVEN;
MUTUALLY UNDERSTANDABLE;
NOT INDEFINITE; AND
NOT UNLIMITED.

For full definitions and descriptions of prohibited conduct and consent, please see:
Bates Equal Opportunity, Non-Discrimination, and Anti-Harassment Policy | bates.edu/here-to-help.

RESOLUTION OPTIONS

Bates is committed to resolving all reports of sexual violence and harassment promptly, fairly, and thoroughly. Investigations are conducted by impartial investigators. These investigators receive annual training on issues related to sexual violence and harassment and on how to conduct fair and reliable investigations that protect the privacy and well-being of all involved. Under most circumstances, the reporting party maintains control of decision-making in choosing how to proceed.

RESOLUTION OPTIONS FOLLOWING A REPORT INCLUDE:

Request for supportive and safety measures only;

Administrative Resolution:
a remedies-based approach with no formal investigation or determination of responsibility;

Informal Resolution:
an opportunity to reach a mutually-agreeable resolution of a complaint without a full formal grievance process; and

Formal Resolution:
formal grievance process that includes a fact-gathering investigation into the complaint, a determination hearing, and opportunities for appeal.

The college will balance an individual's expressed preferences with its obligation to provide for campus safety.

For more information on resolution options and the procedures for formally resolving reports, please see: [bates.edu/here-to-help](https://www.bates.edu/here-to-help). Additionally, the Title IX Team and the SAVA are available to offer support and answer questions about the resolution process.

OPTIONS FOR ORDERS OF PROTECTION

CAMPUS NO CONTACT ORDERS

The college may implement a campus No Contact Order (NCO) between two community members when reasonable concern of physical or psychological harm may be present. You may request a No Contact Order from the Title IX Coordinator, **Gwen Lexow**, at **207-786-6445** or **glexow@bates.edu**.

CIVIL PROTECTION ORDERS

Maine law enables victims of domestic or dating abuse, sexual assault, stalking, or other forms of harassment to obtain both short-term emergency protection and, after hearing, long-term protection. Individuals can petition the court for either a Protection from Abuse or Protection from Harassment Order. For more information on how to petition for a civil protection order, you may speak with the **SAVA** at **207-753-6996** or with **SAPARS** at **800-871-7741**.

PRESERVING EVIDENCE

Physical evidence may be necessary for criminal prosecution or obtaining a Protection Order. Preserving evidence keeps your options open, allowing you to make decisions regarding how to proceed at a future time. Where applicable consider having a forensic exam. Exams can be done as many as five days after an assault. You do not need to file a police report to get an exam. Consider preserving electronic evidence, such as texts, photos, social media posts, and phone records, as well. More information about forensic exams can be found at: **[bates.edu/here-to-help](https://www.bates.edu/here-to-help)**.
