

Guidelines to Upload the Exam Version of a Bates Honors Thesis to SCARAB

You must upload your thesis and an updated thesis abstract no later than 3:00 p.m. on the assigned date (see the calendar). At this stage of the process, the thesis will only be available to the examination panel.

Instructions for Candidates

To submit, you must have your thesis in an electronic format. SCARAB allows you to upload one thesis file only. The updated abstract is pasted into SCARAB separately. Suggested file types for the thesis are listed below. In cases where a thesis is comprised of multiple files (e.g. an artist statement and the actual composition(s)) you must package all files together in a single zip file. You must then upload the zip file. If you need help creating zip files, please see the Bates Help Desk in Ladd Library.

Content Type	Suggested File Type	Content Type	Suggested File Type
Text	pdf	3D models	3ds
Audio	mpeg3	Compressed files/ folders	zip
Image	jpeg	Tabular data	csv
Video	mpeg4

The Submission Agreement

On the following page, you will find submission instructions and a submission agreement. Check it to move forward. If your thesis is awarded honors, you and your advisor must sign and submit the Thesis Access and Embargo form pertaining to the legal aspects of publishing your work, by the date assigned on the calendar. The wording on that form is the same as the wording on the first page of the SCARAB form and reads:

I Affirm:

- That this work is my original creation and that I have full authority to make this agreement;
- That my thesis does not contain any libelous matter, nor invade the privacy of any person or third parties;
- That, if my thesis includes materials copyrighted by another party and used by me in excess of the fair use provision of the United States copyright code, I have restricted access to the final version of my thesis to the Bates educational community only.
- I grant Bates College the non-exclusive right to make my thesis part of SCARAB and to make it available for research and scholarly purposes. I understand that once the final thesis is uploaded, I may not remove it.

Check the box to confirm that you have read the submission agreement and click “Continue” at the bottom of the screen to move to the submission form.

After completing the descriptive fields, you will be prompted to upload your thesis from the computer. When the form is complete, you should click the “Submit” button.
