

# HOUSING SELECTION 25-26!

## Housing Selection Planning Worksheet

This worksheet is designed to help you stay organized and prepared as you plan for housing selection for the next academic year. By breaking down the process into manageable steps, it will guide you in identifying your top room preferences, backup options, and important deadlines. This worksheet also gives you the opportunity to reflect on your needs, whether it's room type, location, or building features, so you can make informed decisions and feel confident about your choices. Planning ahead will reduce stress and ensure you don't miss any important details during the housing selection process.

**Step 1: Review Housing Options:** Before selecting your housing preferences, make sure you understand all available options (mixed class year residence halls, houses, suites, etc.). This information can be found in the "Resources" section below.
