Log in to [aetnavision.com](https://www.aetnavision.com) to get **claims updates, coverage details, wellness information** and more.

## Try the Aetna Vision Preferred app

Got an Android™ or iPhone® mobile device? Then you can do everything you already do on [aetnavision.com](https://www.aetnavision.com) on your mobile device. Plus, a little more — like setting reminders for eye exams or new contacts or saving your prescription to your phone. You can even connect to [glasses.com](https://www.glasses.com).

## Three reasons to use network providers

Even though you can visit any provider, staying in network has its perks.

### 1. Save time.

Find providers fast on [aetnavision.com](https://www.aetnavision.com).

### 2. Save hassles.

There are no claims to file.

### 3. Save money.

You'll likely pay less.
