

Instructions for Using Vector Learning Management System

When training is assigned you will receive an email in your Bates email account. Note: the email may look suspicious but should have Bates College and @safecolleges.com. If you don't find it in your email check your SPAM folder.

Here is an example:

When you click on the link, the Bates Single Sign-On window will appear:

Enter your Username (same as email)

Enter your password (same as email)

Employee Training & Development

For you. For them. For Us.

Bates College Human Resources' three overarching goals are to connect, empower and elevate our employees. Our Employee Training and Development focus is to foster a culture of continuous learning and growth, while empowering our employees to reach their full potential. Ensuring that employees are appropriately trained directly benefits the employee themselves, their team and the entire Bates Community.

Our Employee Training and Development goal is to provide our employees with the knowledge, skills and resources they need to excel in their roles, maintain a safe work environment and contribute to the overall success of the College. Through innovative training programs and ongoing development opportunities, we work to cultivate a high-performance environment where every employee can unlock their full potential.

By investing in the growth and development of our employees, we not only enhance individual capabilities but also strengthen the collective expertise that drives Bates College's excellence. Providing consistent training manages expectations at the individual, team and college level. Together, we aspire to build a workforce that is agile, resilient, and ready to embrace new challenges, ultimately ensuring the sustained success of Bates' employees and students

Below the language selector is a dark red button with white text that reads "Staff Well-Being and Engagement Survey". Below the button is a light grey box with the heading "Human Resources Partner Sites" in bold. Underneath the heading are four blue hyperlinks: "B-Well | Wellness Program", "Employment at Bates", "Environmental Health & Safety", "Human Resources", and "Payroll". Below the partner sites box is a search bar with the heading "Search HR Pages". The search bar has a white input field and a dark red "Search" button.
