

# LUNCH SCHEDULE

## Celebrating Our Community

**Bernie Carpenter Emergency Fund** This Fund was established in 1997 by the trustees of Bates College, joined with Bates employees in honor of Bernie Carpenter’s 30 years of service as Vice President for Financial Affairs and Treasurer.

Below is an excerpt from the A Gift in Tribute document created and signed by James L. Moody, Jr., Chairman of the Board of Trustees, presented on May 24, 1997.

The endowed fund, affectionately to be nicknamed “The Bernie Fund” by trustees, friends and colleagues who have helped to establish it, will be available to all employees of the College as a special source of funds where emergencies such as major illnesses, accidents, or similar catastrophes occur in their lives.

The fund is intended to provide those in need with emergency relief. We understand that requests for assistance will be reviewed by a small panel, empowered to respond quickly, decisively, and with confidentiality. We also understand that fund disbursements will be made from the annual income of the fund, retaining the principal intact to continue to generate future assistance. Repayment will be an expectation of the grant, not a condition. However, recipients will be encouraged to contribute, when and how they can, to the fund after their emergency need is resolved, to increase opportunities for other employees in the future.

**Tuesday, June 10th**

Bingo / Community Lunch  
12 noon to 1pm
