HOW TO REGISTER FOR LESSONS

Enrolling in Applied Music lessons is a 3-step process:

- 1) Complete this form.
- 2) Register on Garnet Gateway according to the course number listed above.
 - a. Courses with an asterisk require instructor permission. If this message is received, then the student must contact their instructor (see above) for permission before registering. Instructor permission does not automatically enroll a student in the course. Once permission is granted, students will still need to register on Garnet Gateway.
 - b. **Beginning September 14th, all students will need instructor permission before registering.** Once permission is granted, students will still need to register on Garnet Gateway. After September 20th, 2022 students will be subject to a late fee.
 - c. For assistance registering, please contact Eric Hockaday, Olin 211 (ehockada@bates.edu).
- 3) Contact your desired Applied Music instructor to schedule your lessons, using the contact information listed above (if you received an “instructor Permission” message, you will have already done this). Enrollment is limited based on instructor availability.

FEES

The fee for applied music lessons is **\$550 per semester**, for eleven 45-minute lessons. The College contributes the remainder of the cost for each student. Students may withdraw from the course during the normal withdrawal period **but may be subject to a charge** even if they do not complete the course. Students who drop before the last day to drop will be charged \$62 per lesson received prior to dropping Applied Music. For example, if you receive two lessons prior to dropping Applied Music, you will be charged \$124 (\$62 x 2). Students who withdraw after the last day to drop will be charged the full \$550. To withdraw from the course, students must **both** drop the course on Garnet Gateway **and** notify Eric Hockaday, Olin 211 (ehockada@bates.edu).

Support in paying for this fee is available through Student Financial Services; if a student already receives financial aid, then the fee is based on a sliding scale determined by the amount of support you receive. The student must make direct contact with SFS to determine their eligibility.

LAST DAY TO ADD: September 20th, 2022

If you add after this date, you will be subject to a late fee.

LAST DAY TO DROP: October 28th, 2022

If you drop the course after this date, you will be charged the full \$550.

If you drop before this date, you will be charged \$62 per lesson taken.

LESSON ATTENDANCE

Students are expected to attend all lessons. You are expected to give your Applied Music instructor advance notice (more than 24-hours) if you are unable to attend your lesson due to sickness or an emergency. If a sickness or an emergency occurs on the day of your lesson and you cannot reach your instructor, you should contact the Olin Operations Supervisor as soon as possible at (207) 786-6135, or Eric at ehockada@bates.edu, (207) 786-8212 . Failure to notify your instructor or the Olin Operations Supervisor will result in an unexcused absence. Make up lessons are up to the discretion of the instructor. Unexcused absences may result in receiving a lower grade. **More than three unexcused absences will result in a failing grade.**

CONCERT ATTENDANCE REQUIREMENT

Students who take Applied Music lessons must attend at least **three concerts** during the term. This co-requisite comprises **15%** of the applied music grade.

Any concert presented by the Music Department or the Olin Concert Series will satisfy this requirement. To guarantee a seat at any concert, please reserve a ticket ahead of time at batesconcerts.eventbrite.com. To receive credit for attendance, you must turn in your Bates ID card during the concert. It will be available for pick up immediately following the performance, but not before the end of the performance.

The best place to learn about all the upcoming performances that are completely up to date is on the departmental website: www.bates.edu/musis/upcoming-concerts/

Non-Bates concerts may count toward the concert requirement with approval from your instructor. The applied music instructor must email Eric Hockaday, Olin 211 (ehockada@bates.edu) with the approved concert information. The student must then write a half page summary that includes the following:

- 1) a copy of the program (if applicable)
- 2) why you decided to attend the concert
- 3) how it relates to your applied music study

JURIES

Every student enrolled in Applied Music is required to perform a jury at the end of the term. Juries are typically scheduled on the Monday of exam week for both fall and winter semesters. Students who perform a recital or other major solo performance **and** demonstrate progress in their applied music lessons may be excused from the jury. A jury exemption request form must be completed, please contact both your Applied Music instructor and the Olin Operations Supervisor in Olin 205 to begin that process.

Students will present a list of all music studied during the year and will be prepared to perform for approximately ten minutes. Students are expected to be able to discuss the music performed: its composer and history, its form and style, and the interpretative decisions they have made.

When the music requires accompaniment, students (and their instructors) should contact Collaborative Pianist Chiharu Naruse (cnaruse@bates.edu) to arrange accompaniment and rehearsals. They should arrange to perform with Chiharu as soon as they begin to work on pieces, long before their juries.

Applied Music instructors are encouraged, whenever possible, to attend their students' juries.

STANDARDS FOR GRADING

Regular practice is required. Expectations from instructors can vary. **It is your responsibility to clarify any questions regarding practice and grading.** Once a grade is assigned, it cannot be changed. Grades are assigned by the Applied Music instructor and reflect a balance of improvement, competence, and the concert and lesson attendance requirements outlined above.

If you have any questions about Applied Music lessons, please contact Eric Hockaday, at ehockada@bates.edu, (207) 786-8212, or in Olin 211.

In addition to the above policies, students are required to adhere to Bates' campus COVID-19 Policies during applied music lessons.

Students: I have read and understand the applied music policy; by signing this form, I acknowledge and accept all terms, processes and financial cost.
