**INTRODUCTION**

Bates Facts is a common source of basic factual information about Bates College. Now in its 24th year, Bates Facts is published annually to be used as a reference guide, providing the Bates community and the general public with a standard set of data and information about the college.

The information published in this edition of Bates Facts reflects the 2019-2020 academic year, or (where specified) the most recent figures available. The most current information may be obtained from the office responsible for a particular topic, or from the Office of Institutional Research, Analysis, and Planning.

Editions of Bates Facts dating back to the 1996-1997 academic year are posted on-line at <http://www.bates.edu/research/bates-facts/>.

To ensure consistency across the college's reporting, the Office of Institutional Research, Analysis, and Planning requests that members of the Bates community who respond to external surveys and data requests should have their final data verified by us before submitting any Bates data.

Please call the Office of Institutional Research, Analysis, and Planning at ext. 8211 or e-mail at agager@bates.edu if you have comments or questions, or if you have suggestions for new information to include in future editions of Bates Facts.

Other Programs

Double Majors

The double major requires completion of all major requirements in two academic departments or programs.

Individual Interdisciplinary Major

Students may propose an individual interdisciplinary major. This involves a detailed program of study with courses drawn from at least two department(s) and/or program(s), but only one senior thesis and/or comprehensive examination.

Liberal Arts-Engineering Dual Degree Program

After three or four years of full-time study at Bates, qualified students may enroll in a two-year engineering program at Columbia University, Dartmouth College, Rensselaer Polytechnic Institute, Case Western Reserve University, or Washington University. Students earn both an undergraduate degree in engineering from Bates and a Bachelor of Science from the engineering-school affiliate.

Harward Center for Community Partnerships

Academic Community Learning

- Well over half of all students engage in community-engaged academic work during their time at Bates, whether through taking one or more community-engaged learning courses or completing a community-engaged research capstone project or thesis.
- In 2018-2019, 66 academic courses from diverse departments and programs included significant community-engaged academic work, and 35 senior theses were community-engaged. 1,097 Bates students produced 31,371 hours of academic community-engaged work.
- Three students participated in the Community-Engaged Research Fellows program, and 10 students participated as members of the Short Term Action/Research Team (STA/RT), representing several academic disciplines.

Community Volunteerism and Student Leadership Development

- Twenty-eight students participated in the Bonner Leader Program, devoting four-to-six hours per week working in the community and another two hours per week engaged in training and reflection activities.
- In 2018-2019, 14,645 documented hours of volunteer work were contributed by Bates students through residence life programs, student clubs and athletic teams, civic engagement leadership programs, and individual volunteer commitments.

The Bates – Morse Mountain Conservation Area

During the 2019 gatekeeping season (April through November):

- More than 20,657 people visited the area during the 2018 gate-keeping season which totaled 166 days.
- Four colleges made a total of 20 visits for coursework or student and alumni group activities.
- Seventeen elementary, middle, and high schools visited the conservation area, representing 623 students.

BATES AND THE COMMUNITY

Bates Dance Festival (Information about the 2019 Bates Dance Festival is forthcoming)

In 2018, the Bates Dance Festival:

- Celebrated and produced the work of four important Northeastern based artists/companies and nine national artists;
- Brought 37 artists to campus to teach and facilitate the creation of new works;
- Supported both national and international creative residencies for two emerging artists;
- Commissioned a site specific work highlighting and celebrating the people and industry of Lewiston's rich Mill communities, which engaged over 25 national artists across disciplines;
- Enrolled 69 high school students in our Young Dancers Workshop; 166 students in our professional Training Program; and 60 local students in our Youth Arts Program;
- Attracted an audience of 4,249 for the Festival's performance series.

Bates College Museum of Art

During the 2019 fiscal year (ending June 30, 2019):

- A total of 11,883 people visited the Museum of Art over the past 12 months.
- The Museum organized and delivered several educational programs for both the Bates community and the local community.
- Internally, the Museum of Art staff developed/organized 113 class discussions, lectures, talks, and studio programs with 2,297 in attendance.
- Regarding outreach, the Museum staff presented 112 educational programs for local and regional K-12 and homeschoools, and senior colleges and retirement/ nursing homes, with 4,505 in attendance.
- The museum also offers 2-8 for-credit, volunteer, and paid internships annually for Bates students and makes its collections available for study, by appointment.

SUSTAINABILITY

[Return to Table of Contents](#)

- The Bates Climate Action Plan was adopted in 2010 and set a goal of carbon neutrality for the college by 2020. This goal was reached in May of 2019.
- Projects contributing to this progress include:
 - Increasing energy efficiency (insulation, updating windows, enhanced building and motor controls and eliminating wasteful systems/practices).
 - Converting central heating plant to renewable fuel oil.
 - Updating florescent lighting to LEDs campus-wide.
 - Installing first solar array in student/Revision Energy collaboration.
 - Installing electric car charging stations.
