**Bates College Carbon Report**

**The Data**

- **Greenhouse Gas Emissions, History, Trends, & Reductions**
  - Bates Campus Greenhouse Gas Emissions

**The Plan**

- **What’s the Plan, and How to Get There**
  - **Renewable Fuel Oil**
    - Made from tree offcuts, this liquid biomass-based fuel has a drastically reduced price, and becomes your own renewable fuel for heating.
    - Our precipitous drop in emissions has earned us carbon neutrality by 2020.

**Our New Fuel**

- **Renewable Fuel Oil**
