Hi, <<Name>>.

I hope this note finds you well! I am reaching out on behalf of our class to, first and foremost, thank you for your loyal support of Bates. This Reunion year, our class is aiming to raise an impactful gift for Bates. Would you be willing join me in supporting the college again this year -- in honor of our Reunion -- with a gift of <<\$Ask Amount>>?

Your gift will make a marked impact on the lives of current and future Bates students, and is a great way to honor your own Bates experience. Contributions of any size also count toward our class's ambitious Reunion goals!

You can visit [bates.edu/give](http://bates.edu/give) or call the college at 1-888-522-8371 to make your gift at any time. Feel free to contact me with questions about our class fundraising goals or Bates news in general. Thanks so much for your support!

Sincerely,

Hi, <<Name>>,

Making a gift to the college helps ensure that today's students have access to the best possible liberal arts education and is a great way to honor your own Bates experience, especially in this milestone year. Not to mention, strong alumni participation helps Bates maintain its competitive ranking and is a factor in the college's ability to win grant money.
